

Will You Believe in Jesus Christ?

Salvation is God's gift for you in Christ, but you must tell Him you want it! So, ask Christ to come and live in your heart so you can begin your life-long journey with Him. Pray from deep within:

*“Dear Lord Jesus, I believe in You!
Forgive me for all my sins!
And give me Your divine life to
make me a child of God, too!”*

WHAT IS LIFE ALL ABOUT?

The Bible reveals that God made us so we could become His many sons. Because of our sin, God became a man in Jesus Christ to die for us on the cross. So now, when we believe in Jesus, God not only forgives our sins, He also gives us His divine life! And as this life grows and develops in us we become His many sons, just as He always intended.

The chart inside portrays this wonderful salvation, God's free gift to us in Christ Jesus.
